## What do I do?

- 1 Put students into pairs or groups.
- 2 Give a copy of the cut up activity to each pair or group.
- 3 Students find the synonym of each adjective.
- 4 Students turn all the words face down and play a memory game:

*Student A turns over two words.  
If they match, student A keeps the words and tries again. If they don't match, play passes to student B.  
When all the words have been taken, the student with the most words wins!*
