# Near your house

## Language point

Places in a town

## Aim

To practise vocabulary of places in a town.

## Activity

Students complete the chart by asking and answering questions.

## Organization

Whole class

## Preparation

Make enough copies of the activity for the number of students in your class.

## What do I do?

- 1 Hand out the activity.
- 2 Students write their own name in the first box in the "names" column and write "yes" or "no" for each question.
- 3 Students mingle and ask the same questions to the other students until their chart is complete.
- 4 Feedback as a class, asking questions such as "Is there a library near your house?", "Is there a supermarket near John's house?"
