Weather wordsearch

Language point
Weather vocabulary

Aim
To review weather vocabulary and spelling.

Activity
Students complete a wordsearch.

Organization
Individual or pair work

Preparation
Make enough copies of the activity for the number of students in your class.

What do I do?
1. Hand out the activity.
2. Students find and circle the words in the wordsearch.
   *This can be done as a race. The first student to find all the words is the winner.*
