#### Teacher notes

# Weather wordsearch

#### Language point

Weather vocabulary

#### Aim

To review weather vocabulary and spelling.

#### Activity

Students complete a wordsearch.

#### Organization

Individual or pair work

## Preparation

Make enough copies of the activity for the number of students in your class.

## What do I do?

- 1 Hand out the activity.
- 2 Students find and circle the words in the wordsearch.

This can be done as a race. The first student to find all the words is the winner.
